Performing Arts at Elim Park

Nelson Hall’s 350+ seat auditorium hosts a variety of performances including touring cultural productions and guest speakers. Gently sloping seating offers excellent views for all audience members. Professional theatre quality lighting and sound equipment enhance each performance. Fully restored 1928 Möller pipe organ and 1936 concert Steinway “B” grand piano produce breathtaking music, while 14 stained glass windows highlight the atmosphere. The flexible center is a wonderful venue to enjoy everything from chamber music, church choirs, to dance and theater.

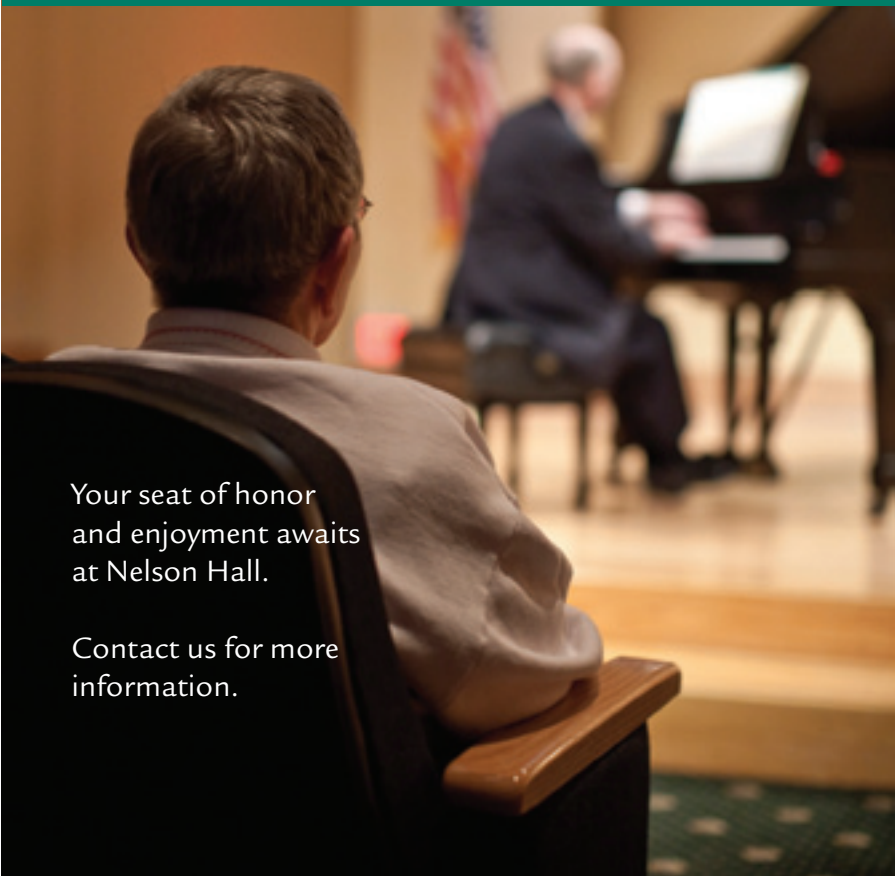

Elim Park has created an opportunity for everyone who cares for the arts and their role in our community to support our efforts on Adams Stage in Nelson Hall with our *Endow the Arts Fund*. This fund will provide sustaining support for all events hosted in Nelson Hall. In addition, the Fund will ensure that Nelson Hall retains its magnificent appeal, season after season.

Anyone who has come to Nelson Hall to enjoy the true delights of choral or chamber music, concerts, renowned dance troops, or guest speakers has probably considered what this new addition to the greater Cheshire community really means.

Nelson Hall is the result of the successful 2008 *Celebrate Life!* Capital Campaign. Today, everything about this performing arts center is new: from the furnishings to the performances themselves. While we enjoy this opportunity in all its splendor, we must provide for the continuance of these experiences in the same pristine arena for generations to come.

Please show your support by giving generously to ***Endow the Arts @ Elim Park***.
